Early Care & Education Programs in Columbus County

Did you know that...

- **15** teachers, directors and family child care providers living in the county participated in the T.E.A.C.H. Early Childhood® Project in fiscal year 2013? There were **6** child care programs that sponsored their employees returning to school through this scholarship program.
- programs receive ongoing help through on-site assessments and technical assistance in order to provide the highest quality services for children and family? In fiscal year 2013, **28** classrooms serving children birth to five in Columbus County received technical assistance through a child care resource and referral agency.
- when child care sites enroll children through the state subsidized child care program, the reimbursement received by the child care provider is based on the age of the child and the site's star rated license level? Reimbursement rates have not been increased to match the actual payment market rates, so child care programs are not receiving adequate funding for the services they provide. For example:

Columbus County	Maximum Reimbursement Rate - (rate the provider receives)	Market Price - (reflects what private payment would be)	Percent of Market Prices Covered by the Reimbursement Rate
2 Year Old / 4 Star Center	\$555	\$673	82%
2 Year Old / 5 Star Center	\$610	\$851	72%
4 Year Old / 4 Star Center	\$528	\$581	91%
4 Year Old / 5 Star Center	\$563	\$646	87%
