Early Care & Education Programs in Yancey County

Did you know that...

- **2** teachers, directors and family child care providers living in the county participated in the T.E.A.C.H. Early Childhood® Project in fiscal year 2015? There was **1** child care program that sponsored their employees returning to school through this scholarship program.
- programs receive ongoing help through on-site assessments and technical assistance in order to provide the highest quality services for children and family? In fiscal year 2015, **4** classrooms serving children birth to five in Yancey County received technical assistance through a child care resource and referral agency.
- when child care sites enroll children through the state subsidized child care program, the reimbursement received by the child care provider is based on the age of the child and the site's star rated license level? Reimbursement rates have not been increased to match the actual payment market rates, so child care programs are not receiving adequate funding for the services they provide. For example:

| Yancey County | Maximum Reimbursement Rate - (rate the provider receives) | Market Price - (reflects what private payment would be) | Percent of Market Prices Covered by the Reimbursement Rate |
|----------------------------|---|---|--|
| 2 Year Old / 4 Star Center | \$573 | \$564 | 102% |
| 2 Year Old / 5 Star Center | \$646 | \$716 | 90% |
| 4 Year Old / 4 Star Center | \$528 | \$520 | 102% |
| 4 Year Old / 5 Star Center | \$588 | \$648 | 91% |
