The Think Babies™ NC Alliance partnered with Child Care Services Association to produce the infant-toddler fact sheets. For more information about Think Babies™ NC, please visit www.ThinkBabiesNC.org

The information reported on Infant and Toddler Care factsheets is updated quarterly (approximately every three months), depending on data availability. Until the new quarter, a factsheet with duplicate data is produced each month. While considering the data on this factsheet, please note that many of these data points may differ significantly from previous months or years. This may be due to the impacts of COVID-19 on both the information reported and the data collection process.
